

### MM Outreach Program

Ubunye Educare Centre in Du Noon started their feeding program with Peninsula School Feeding Association on the 3<sup>rd</sup> of May 2016. Apart from the food items, the school also received items such as pots, cutlery, plates, spoons, cutting boards, gas, etc.

Ester Cupido (Principal of Ubunye Educare Centre) wrote: *“This has really been a blessing to the school. From all of us at Ubunye Educare Centre we wish to greatly thank MM for opening this door for us. We are now sure that the children will received a balanced and healthy meal.”*

She attached some pictures of the children’s first “sponsored” meal (above).

We would sincerely like to thank the PSFA but most of all – our supporting Estate Agents. Without you, the MM Outreach Program would not be possible. Since MM’s affiliation with the Peninsula School Feeding Association, we have donated in excess of **R700 000** to the feeding program. For every conveyancing instruction we receive from an Estate Agent, we, in collaboration with the PSFA, sponsor the feeding of one more hungry child who will now be properly nourished for a period of six months. The instructing Estate Agent receives a “Certificate of Thanks” acknowledging his/her role in the benefitting of the sponsored child. The PSFA currently feeds in excess of **26 000** children from poor communities at **145 Cape Schools on all school days**. The food provides at least 33% of a child’s recommended daily allowance for energy and 40% for protein.
